PERSONAL ATTRIBUTES

I am a self-motivated and diligent individual, eager to gain more experience in the film and television industry. I am interested in learning and enhancing my skills as an artist. I can grasp new techniques quickly and apply learned skills accurately. With these traits, I am positive I can make a valuable contribution to any team. My resume details my experience and abilities; I would like to highlight the following:

- Excellent communication and interpersonal skills
- A born leader who enjoys leading and working as part of a team
- Fluent in speaking, comprehension and writing in English and French
- Professionally trained in beauty and out-of-kit special effects makeup
- Trained and familiar with Covid-19 set protocols.
